Poll for mtg times update 3-14-2016.pdf

I am sorry that the Navy computer system cannot easily see the poll. I have attached a printout from the screenshot, but unfortunately the formatting is not ideal. The only time not yet ruled out is 3/22, 10 am. Would that work for you? Otherwise, I've got to go look for more time slots . . .

Dear Derek,

I'm sorry you're having trouble viewing the survey. Here is the list of time slots again, cut & pasted from last week's email.

I had originally sent out a poll for Tuesdays at 10 am because that is what Dan Hirsch had previously suggested. The Navy said they could meet the weeks of 3/21 or later, but both Dan Hirsch and Bradley Angel said they could not make it on Tuesdays at 10 am on 3/22 and 3/29. The Navy confirmed that Tuesday, 4/12, at 10 am will work well for them. In case that doesn't work for Dan and Bradley, I talked to Bradley a few days ago, and he invited me to try other times besides just Tuesdays at 10 am. I have revised the poll to include more variety of times. Please click on the button below to participate in the poll. Since the Navy computer system cannot always access the poll, I have cut and pasted the time slots below.   Anyone who can't see the poll can just email me the time they are available, and I'll enter it for them. I'm sorry it's hard to get so many people's schedules to work out. But I hope one of these time slots will work.
